 - Health and Safety Representative

Skills

- AutoCad
- Sketch up

- Microsoft office
- Site works
- Design
- Problem solving

Projects

- **Shoprite distribution (Brackenfell)**

Completed in September, Bedrock's 194-column supply consisted of 1 200 m³ of concrete and 260 t of reinforcing steel bars to increase concrete tensile strength, with the total weight of the columns amounting to 3 000 t. This supply included the tallest precast column erected in sub-Saharan Africa, at 26.4 m tall and weighing about 58 t.

- **NorthPoint Industrial park**

NorthPoint Industrial Park is located in the Northern suburbs of Cape Town in Everite Industrial. The N1 highway is less than 5 minutes from the site as is the R300, which connects the N1 to the N2. The Airport and the harbour are easily accessible as are all major inland routes.

The development Phase 1 site offers approximately 16,415sqm of available warehouse units to rent with security, yard and parking bays.

- **GLS Philippi Depot (Ottery)**

Located in Lansdowne and Ottery Road, Philippi, Cape Town

GLS Supply Chain Equipment is a competitive, innovative and empowered South African logistics business with a global perspective. Our core expertise lies in materials handling and supply chain optimisation

- **QK Meats / Southlands foods**

Construction on the 11,000m² refrigerated warehouse in Midrand / Centurion for the cold storage industry giant Southlands Foods. The scope includes 16 meter tall 450mm x 450mm tapered columns, various wall panels and retaining walls. The client has selected Bedrock and the tilt-up construction method due to a tight program.

- **Isipingo Retail Development.**

Construction on a retail shopping centre connected to the Isipingo Station. The aim is to improve the station precinct by providing an aesthetically pleasing environment, an intermodal facility, enhanced commuter experience and a place of convenience.

Bedrock Group is responsible for the design and construction of the concrete structure for this massive retail space which is conveniently situated over the railway lines and adjacent to the station.
